

Advancing Audiovisual Communications Globally

# InfoComm International

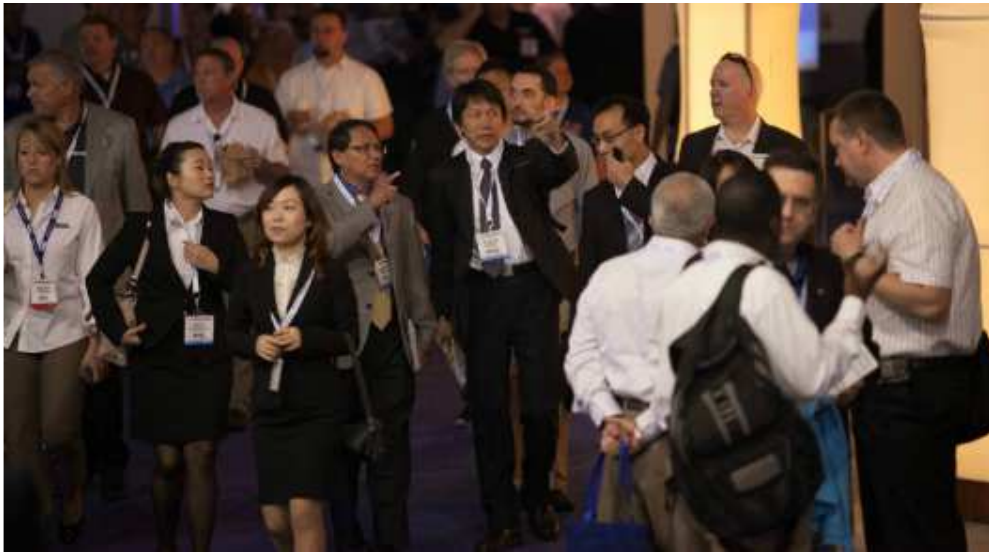

We are the professional trade association for the commercial audiovisual industry

Founded in  
**1939**

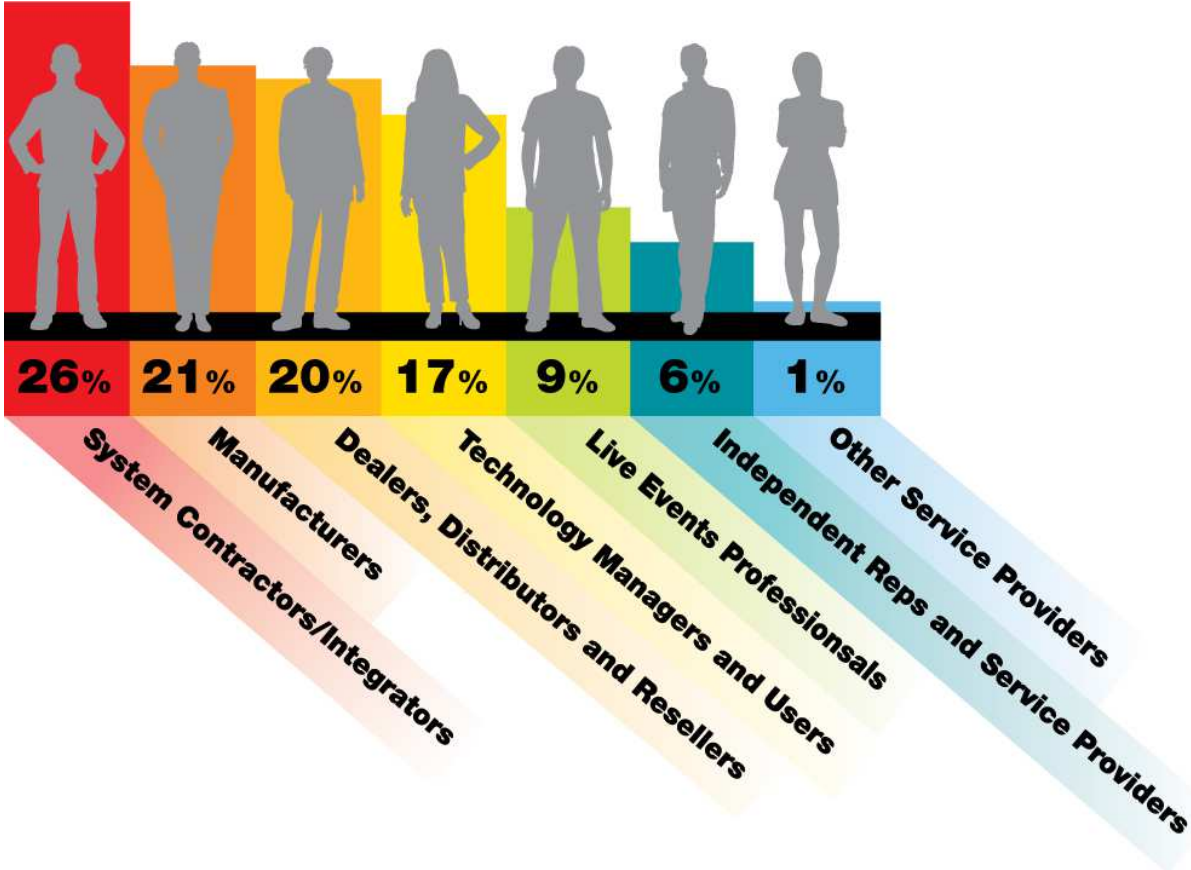

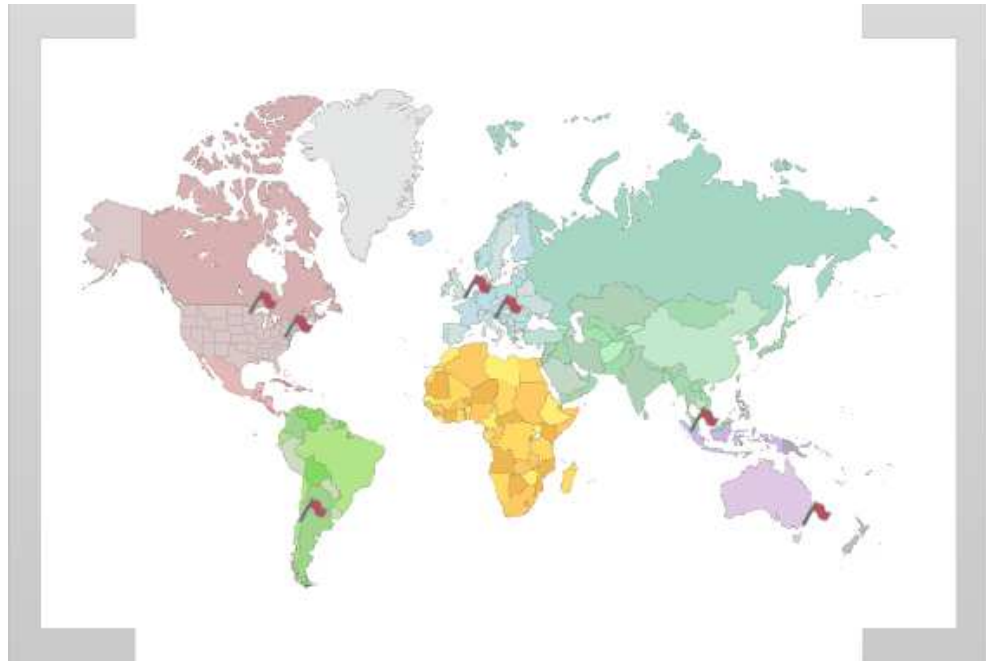

...we have come a long way  
since then!

WITH MORE THAN  
**5,000**  
MEMBERS

INFOCOMM MEMBERS ARE:

## WORLDWIDE

InfoComm maintains offices around the world and is dedicated to providing members with:

- Local Networking
- Businesses
- Educational Opportunities

## INFOCOMM IS EVOLVING RAPIDLY...AND INVESTING IN EUROPE

**Pam Taggart**  
Senior Director of  
Development, Europe

**Dan Goldstein**  
Senior VP, Marketing &  
Communications

**Betsy Jaffe**  
Senior VP, Member  
Services

**Mandy Beckner**  
VP, Learning

## InfoComm Offers Classes

Online

At trade shows such as ISE

At the training facilities of sponsoring companies

At contracting member facilities

WHEN **96%**

of students report that they use what they learn in class on the job, you know you are in the right place.

On any given day, there are **3,000** registrations for InfoComm courses.

# Certification

In the AV industry, there is only one  
ISO/IEC 17024 credential:

InfoComm International's  
Certified Technology Specialist  
(CTS) program.

More than  
**10,000**

AV professionals have earned InfoComm's Certified Technology Specialist credential.

# Integrated Systems EUROPE

**3 Great Ways** to  
connect with InfoComm  
at ISE 2016 in  
Amsterdam,  
9–12 February

**MasterClass:** high-powered, deep-dive  
training sessions

**Conferences:** for the higher-education  
sector (Tuesday) and AV executives  
(Friday)

**FlashTracks:** bite-sized education  
sessions at Stand 11-N100
